

YMCA Triangle Y Ranch Camp Military Eligibility Form 2022

Triangle Y Ranch Camp is fortunate to work with additional funders and donors that support our military families. We have created a single page form to get the process started. Military children can attend a session at Triangle Y Ranch Camp

for a small co-pay. Each of these programs varies a little in the criteria for acceptance or the amount of the copay. Some are restricted by rank/pay grade, some by service status, unit, duty station or branch, and some by deployment date or PCS orders. Since we don't always know from year to year what restrictions might be placed on the funds, we have created a single form that will guide our staff through the process of determining a program. Please return this form along with proof of military service (documents will be shredded upon receipt, please feel free to redact portions or to show proof in person).

Return form and documents to camp@tucsonymca.org. We are notified by our funders at different times throughout the year, so please send it in early and be patient as we will notify families as the funds are released.
