Summer Camp Fees

2018 flexible pricing

The YMCA of Southern Arizona offers a flexible rate plan that allows families to choose between three rates to best meet their household budget. Please take a moment to look at the Flexible Fee options below and consider the rate that your family is willing and able to pay for your child's summer camp experience. The child's camp experience is the same whether you choose Tier A, B, or C.

	YMCA Program Member Price	YMCA Facility Member Price	Savings	Understanding the Rates
Tier A	\$195 per week	\$170 per week	\$25	Based on the actual cost of camp for one child to participate and includes all expenses for staff, maintenance, food and supplies.
Tier B	\$175 per week	\$160 per week	\$15	Tier B is our partially subsidized fee for those families who can pay a little more, but still can't afford the actual cost of camp.
Tier C	\$160 per week	\$145 per week	\$15	Tier C is our standard subsidized fee. This rate does not reflect the true cost of operating summer camp programs.

We are DES approved. Additional YMCA Financial Assistance is available for those who qualify & as funds are available.
