8. Y equipment is used for instructional use only.
9. Enter the water facing forward and feet first.

12. The lifeguard's word is final.
13. In case of emergency or drill clear the water immediately.

Lap Swim Etiquette

Lane sharing: If there are 1 or 2 swimmers in a lane, they may elect to split the lane in half. The entrance of a 3rd person changes the lane to "circle swimming" format.

Aquatic Age Requirements

All children 5 and over must use gender specific locker rooms, children 7 and under must be accompanied by a parent or guardian at all times and all children 12 and under will be given a swim test. Those who are not able to pass must be supervised and with a parent or guardian in the water at all times.

Swim Test Policy

Drowning is the second leading cause of injury-related deaths for children ages 1-14 years old. The YMCA of Southern Arizona is committed to implementing proven drowning prevention efforts to ensure safety. As a result, children ages 12 and under will be tested to evaluate swimming competency. Once a swim test has been completed, the swimmers age, birthdate and wrist band color may be logged for easy issue of swim bands for future visits.

Green Band Swimmer Qualifications

Children receive a green band if they are able to jump into water feet first, swim one length of the pool- without stopping, touching the bottom or edges of the lane, and successfully tread water for 30 seconds.

Red Band Swimmer Qualifications

Children receive a red band if they choose not to take the swim test or are unable to demonstrate all of the above mentioned green band qualifications.
