# YMCA OF SOUTHERN ARIZONA SCHOLARSHIP APPLICATION

## THE HEART OF OUR MISSION

The YMCA of Southern Arizona is a leading nonprofit organization committed to helping all children realize their fullest potential and grow in spirit, mind and body. Our Scholarship program is a sliding scale that is designed to fit each individual's financial situation.

## EVERYONE IS WELCOME

We provide scholarships for families based on individual needs and circumstances. These scholarships are made possible through the hard work and generosity of our volunteer fundraisers and donors in our Annual Community Support Campaign.

## COMMITTED TO OUR COMMUNITY

All Y members receive the same scholarship benefits, regardless of whether or not they are receiving assistance. Y members can feel great knowing that they are involved in an organization that cares greatly for the health and well being of people and is committed to youth development, healthy living, and social responsibility.

The Y offers more than programs and services, we ensure that every individual has access to the essentials needed to learn, grow, and thrive. The Y, always here for you.
