Family Friendly Activities YMCA OF SOUTHERN ARIZONA

We have compiled a list of our seven favorite, family-friendly activities and games for a week's worth of fun! For more information about the activity, click the link in the title.

[Create Tissue Box Monsters](#)

These cute tissue box monsters are a creative way to recycle old tissue paper boxes! Kids will love designing their own monster that is unique.

[Get In On The Kinetic Sand Trend Safely](#)

All you need for this kid-friendly fun project is a few simple ingredients like food coloring, extracts, and glue! This Borax-free slime is the perfect way to get in on the kinetic sand trend safely.

[Have Some Fun With Laundry Basket Skee Ball](#)

We are excited to share a DIY version of this classic game! Laundry Basket Skee Ball is a fun way to utilize old cardboard boxes that will keep your kids busy while indoors.

[Make A Paper Cup Anemometer To Measure The Wind](#)

If your kids are fascinated by the weather, this is just the project for them! They will have a blast using a paper cup anemometer to determine when the wind is the strongest.

[Take Your Kids to Flight School With This Fun Paper Plane Game](#)

Just fold and let your imagination take flight with this fun and challenging paper airplane game. Use the aerodynamic plane design provided and perfected by GH Institute engineers.

[We're Off To The Races With Soap Boats](#)

This project is inexpensive to put together and SO much fun for kids of all ages. From creating a simple flag to carving out a boat from a bar of soap, each racer is able to customize their boat.

[You'll Have A Minute To Win It With These Family-Friendly Games](#)

Minute To Win It Games are a super-fun thing to do with kids, or even the whole family. Here you will find a complete list of supplies and a few notes to ensure success.
