Family Friendly Activities

YMCA OF SOUTHERN ARIZONA

We have compiled a list of our seven favorite, family-friendly activities and games for a week's worth of fun! For more information about the activity, click the link in the title.

[Celebrate Veterans At Home with a Patriot Flag Banner](#)

After viewing the local parade of heroes, encourage your child to create his own celebration at home with this simple DIY patriotic banner.

[DIY Tie Dye American Flag Shirts and Swimsuit Covers](#)

This easy to follow guide will walk you through making your very own American tie dye master piece. It's really simple, and the kit provides everything you'll need, except for the shirts and a couple garbage bags.

[Egg Drop Project](#)

Challenge your kids to take part in this STEM activity. Help them create a contraption to stop an egg from a high fall using various materials like recyclables.

[Jenga Multiplication](#)

Liven up your multiplication fact practice by transforming Jenga, a favorite household game, into the perfect math practice game. All you need is the game and a permanent marker!

[Leaf Animal Craft Project](#)

Take a nature walk to find leaves, twigs, and rocks to inspire your child to create a natural master piece. This activity is perfect for children in preschool to fifth grade.

[Construction Paper Silly Star Fireworks](#)

Using construction paper, your child will practice creating stars that look similar to the ones found on the American flag and then bring them to life by adding firework appendages!

[Bring Minecraft to Life](#)

Got a Minecraft fan at home? They'll flip for this creeper box craft. We'll help you construct Minecraft pixel pickaxes with these easy to follow instructions and templates.
