RAGGERS WEEKEND A CHANCE TO GROW IN MIND, BODY & SPIRIT

TRIANGLE Y RANCH CAMP
Ragger's Weekend
NOVEMBER 27-29, 2020

Since 1914, the YMCA Ragers program has provided an opportunity for growth in MIND, BODY & SPIRIT while linking mentors and generations of kids and adults. The simple colored rag, in and of itself having no value, forms a powerful symbol of positive traits, personal and spiritual growth, self-improvement and accepting and accomplishing personal challenges.

Reconnect, Reunite, Reconfirm

This weekend will be a chance for Tri Y Ragers to share stories, reconfirm their Ragers pledge or submit to the challenge of their next rag. Andy Perez will be joining us as the keynote speaker.

\$100 per person for Cabin Accommodations (Unit 4)

\$150 per person for Lodge Accommodations (Green & Lebrecht)
